## How to find your ring size

### Option 1

1. Print out this page and cut out the above ring sizer. Cut a small slit on the dotted line shown.
2. Slip the narrow end through the slit with the numbers facing out, then place the ring sizer around around your finger.
3. Tighten the ring sizer by pulling the narrow end toward your finger. The ring sizer should fit snug but comfortably.
4. Your ring size is the number that lines up with the slit.

### Option 2

1. Match the inside of an existing ring to one of these sizes:
